

Greetings

Mahidol University

Faculty Jazz Ensemble

April 30, 2019

As Mayor of Washington, DC, I am pleased to extend greetings to the Mahidol University Faculty Jazz Ensemble.

Jazz is more than music - it is a universal art form and today, you are hosting your performance at the John F. Kennedy Center for the Performing Arts. These talented musicians will showcase their skills for all to enjoy, celebrate, and learn about jazz and its impact. I want to thank you for raising the awareness and reinforcing international relationships through this art form.

The nation's capital is a wonderful place to visit and while you were here, I hope you enjoyed the diversity and amenities our great city has to offer.

On behalf of all the residents of Washington, DC, you have my best wishes for an enjoyable memorable event.

Muriel Bowser
Mayor, Washington, DC
